

# Detailed Programme

## TUESDAY 19 APRIL Pre-registration, Board Meetings and Poster Set-up

15.00-17.30	Pre-registration and Poster Set-up at the venue
18.00-22.00	<i>From clinical observation to new mechanistic insights: Network event hosted by the LEO Foundation Skin Immunology Research Center, University of Copenhagen (fully booked)</i>

ROOM: Pjerrot
11.00-14.00 NDA Board Meeting

ROOM: BLOMSTERSALEN
14.00-19.00 SSDV Board Meeting

ROOM: AKVARIET 2
17.30-19.00 NFDV Board Meeting

## WEDNESDAY 20 APRIL

ROOM: CONGRESS HALL (PLENARY)	
08.30	Registration opens
12.15-13.15	Industry Symposium A <a href="#">See more here</a>
13.15-13.45	Lunch / Posters / Exhibition
13.45-14.00	Opening Ceremony
14.00-15.30	<b>SESSION 1:</b> Psoriasis – what have we learned? Narrative chair: Lars Iversen Operational chair: Olav Sundnes Interactive chair: Mona Stähle
	O1 Psoriasis in the last millennium Joar Austad
	O2 Pathophysiology and genetics Charlotta Enerbäck
	O3 Current and novel treatment Kasper Fjellhaugen Hjuler
	O4 Comorbidities and epidemiology Lone Skov
	O5 Psoriasis 10 years from now Enikö Sonkoly
15.30-17.00	Coffee/ Posters/ Exhibition
15.45-16.45	Industry Symposium B <a href="#">See more here</a>

ROOM: Pjerrot
9.00-12.00 SSDV General Assembly
<b>SESSION 2:</b> Atopic eczema, pruritus & urticaria Narrative chair: Laura Huilaja Operational chair: Anne Birgitte Simonsen Interactive chair: Kilian Eyerich
O6 Itch – pathogenesis and treatment Jesper Elberling
O7 Urticaria – Epidemiology in Scandinavia and new treatments Simon F Thomsen
O8 Atopic Dermatitis Pathogenesis Kilian Eyerich
O9 Atopic Dermatitis Co-morbidities Laura Huilaja
O10 Atopic dermatitis – Topical treatments and skin moisturizers Emma Johansson

ROOM: BLOMSTERSALEN
8.30-9.30 DDS Board Meeting
10.00-12.00 DDS General Assembly

ROOM: AKVARIET 5
12.00-13.30 NDA Research Committee Meeting
15.30-16.30 NDA Education Committee Meeting

KARAVANEN 3+4 (1ST FLOOR)
9.30-16.00 Nordisk sygeplejerskers formandsmøde og bestyrelsesmøde i FSDS
DANSETTEN (2ND FLOOR)
10.00-12.30 NFDV General Assembly

Due to CME regulations no industry names or logos are allowed in the scientific programme. Detailed programme of industry sessions is available on [www.ncdv2022.org](http://www.ncdv2022.org).

## WEDNESDAY 20 APRIL

### ROOM: CONGRESS HALL (PLENARY)

17.00-18.30	<b>SPECIAL SESSION - HIDDEN:</b> History of norDic DErmatology achivemeNts Narrative chair: Gregor Jemec Interactive chair: Petter Gjersvik		
	O11	Swedish dermatovenereology in a global perspective	Åsa Ingvar
	O12	Norway's contribution to dermatology and venereology	Petter Gjersvik
	O13	The contributions of Danish dermatovenereology	Jørgen Serup
	O14	Finnish dermatovenereology in a global perspective	Nicolas Kluger
	O15	Iceland's contribution to dermatology and venereology	Baldur Tumi Baldursson
	O16	The Baltic countries' contribution to the world of dermatovenereology	Andris Rubins
	O17	The core of Nordic Dermatovenereology	Lars Werner
	O18	Working with dermatology in the Nordic region	Marianne Pilgaard
18.30-20.00	<i>Welcome Reception at the venue</i>		

## THURSDAY 21 APRIL

### ROOM: CONGRESS HALL (PLENARY)

08.00	Registration opens		
08.30-10.00	<b>SESSION 3</b> Hidradenitis Suppurativa Narrative chair: Gregor Jemec Operational chair: Karin Sartorius Interactive chair: Thrasylvoulos Tzellos		
	O19	The Impact of Hidradenitis Suppurativa	Linnea Thorlacius
	O20	First contacts – the baseline	Hassan Killasli
	O21	The bio-eligible patient	Thrasylvoulos Tzellos
	O22	Fitting in a time for surgery	Øystein Grimstad
	O23	What to do when you run out of guideline?	Christos Zouboulis
10.00-10.30	<i>Coffee/ Posters/ Exhibition</i>		
10.30-12.00	<b>SESSION 5:</b> Keratinocyte cancers and melanoma Narrative chair: John Paoli Operational chair: Merete Hædersdal Interactive chair: Hans Bredsted Lomholt		
	O28	Why is there a rise in skin cancer and can we prevent it by screening?	Ingrid Roscher

### ROOM: Pjerrot

<b>SESSION 4</b> Pro and Con Session <b>Part 1: Population Screening &amp; Malignant Melanoma</b> <b>Part 2: Emollients</b> Narrative chair: part 1 - Melanom screening: Katrine Karmisholt Narrative chair: part 2 - Emollients: Laura von Kobyletzki		
O24	NO, we should not population screen for malignant melanoma	Andrés Már Erlendsson
O25	YES, we should population screen for malignant melanoma	Ingeborg Margrethe Bachmann
O26	Emollients con	Tove Agner
O27	Emollients pro	Mette Deleuran
<b>SESSION 6</b> Skin infections, infestations and venereology Narrative chair: Ditte Saunte Operational chair: Sam Polesie Interactive chair: Eija Hiltunen-Back		
O33	The creeping sensation of Scabies	Kristine Pallesen

ROOM: CONGRESS HALL (PLENARY)			
	O29	New diagnostic tools for melanoma and keratinocyte cancers	Kari Nielsen
	O30	Surgical treatment for kera-tinocyte cancers in the skin	Katrine Karmisholt
	O31	New treatment for melanoma and implications for dermatologists	Marco Donia
	O32	Future perspectives in the management of melanoma and keratinocyte cancers	Veli-Matti Kähäri
12.00-13.30	Lunch / Posters / Exhibition		
13.30-15.00	<b>SESSION 7</b> Artificial intelligence (AI), teledermatology & virtual dermatology Narrative chair: Thomas Schopf Operational chair: Zarqa Ali Interactive chair: Johan Dahlén Gyllencreutz		
	O38	Decentralized clinical trials, studies of the future	Zarqa Ali
	O39	Automatic image analysis	John Paoli
	O40	Artificial intelligence in dermatopathology	Noora Neittaanmäki
	O41	Building apps in health care	Alexander Börve
15.00-15.30	Coffee/ Posters/ Exhibition		
15.30-16.30	Guided Poster Walks (PW1-PW16) Chairs: Peter Bjerring & Tove Agner See an overview of the posters <a href="#">here</a>		
19.00	Congress Dinner at Langelinie Pavillon (Langelinie 10, 2100 Copenhagen) Meet at 18.30 at Kalvebod Brygge to be transported by boat to the dinner.		

ROOM: Pjerrot		
O34	The epidemic spreading of <i>M. audouinii</i> infection	Sam Polesie
O35	The alarming progression of necrotizing soft-tissue infections	Claus Zachariae
O36	The expanding experience of COVID-19 skin manifestations	Nicolas Kluger
O37	Gonorrhoea, new perspectives on an old infection	Usha Hartgill
12.15-13.15	Industry Symposium C ( <a href="#">See more here</a> )	
<b>SESSION 8</b> Work related eczema and skin cancer Narrative chair: José Hernan Alfonso Operational chair: Tove Agner Interactive chair: Cecilia Svedman		
O42	History of occupational dermatology in the Nordic countries	Klaus E Andersen
<b>COVID-19 SESSION:</b> Covid-19 and work-related skin disease: local experiences		
O43	Experiences from Denmark	Yasemin Topal
O44	Experiences from Sweden	Nils Hamnerius
O45	Experiences from Iceland	Gisli Ingvarsson
O46	Acrylates – exposure at work and at home	Martin Mowitz
O47	Secondary prevention: practical tips for the clinicians	Tanja Carøe
O48	Occupation and skin cancer in the Nordic countries	José Hernan Alfonso
Industry Symposium D <a href="#">See more here</a>		

ROOM: BLOMSTERSALEN		
<b>NURSE SESSION 1</b> Narrative chair: Bettina Trettin Operational chair: Hanne Faarup Interactive chair: Kristine Fuskeland		
O49	Measurements of illuminance in simulated daylight photodynamic	Alexandra Sjöholm
O50	The Impact of attitude: Young people's perspectives on support to their active involvement in the treatment and care of a long-term skin condition	Gitte Rasmussen
O51	Design, development and teledermatological solution for patients with psoriasis	Bettina Trettin
O52	Focus on quality of life in people living with a hard to heal wound – Translation and psychometric properties of a questionnaire (The Danish Wound-QoL)	Jane Thinggard Knudsen

**ROOM: CONGRESS HALL (PLENARY)**

08.00-09.00			
09.15-10.45	<b>SESSION 9:</b> <b>Hot research and networking</b> Narrative chair: Liv Eidsmo Operational chair: Øystein Grimstad Interactive chair: Teea Salmi		
	O53	Classical pathway of the complement system in cutaneous squamous cell carcinoma	Kristina Viiklepp
	O54	Peptidylarginine deaminase-1 in epidermal barrier formation in healthy and inflamed skin	Josefin Lysell
	O55	Vitamin D and psoriasis	Marita Jenssen
	O56	Characteristics of the gut microbiota in patients with psoriasis	Tanja Todberg
	PANEL DISCUSSION		John Paali Lars Iversen Gisli Ingvarsson
10.45-11.15	<i>Coffee/ Posters/ Exhibition</i>		
11.15-12.45	<b>SESSION 11:</b> <b>Acne - Rosacea</b> Narrative chair: Hans Bredsted Lomholt Operational chair: Ruta Ganceviciene Interactive chair: Alexander Egeberg		
	O61	Comparative epidemiology of acne and rosacea	Alexander Egeberg
	O62	Comparative pathogenesis of acne and rosacea	Hans Bredsted Lomholt
	O63	State of the art traditional treatments for acne and rosacea	Ruta Ganceviciene
	O64	Physical treatment modalities for acne and rosacea	Merete Hædersdal
	O65	What is the future? Upcoming and rare treatments for acne and rosacea	Christos Zouboulis

**ROOM: PJERROT**

<b>Industry Symposium E</b> <a href="#">See more here</a>		
<b>SESSION 10:</b> <b>Microbiome in hand eczema, acne, atopic dermatitis and psoriasis</b> Narrative chair: Chris Anderson Operational chair: Tove Agner Interactive chair: Teresa Berents		
O57	Hand eczema as an example of the microbiota in health and disease	Line Brok Nørreslet
O58	The microbiota in acne and rosacea and antibiotic stewardship in these conditions	Hans Bredsted Lomholt
O59	Interactivity between components of the microbiome in psoriasis and atopic eczema	Nanna Fyhrquist
O60	Effect on skin microbiota of UVB and other treatments in atopic dermatitis	Astrid Lossius
<b>NURSE SESSION 2</b> Narrative chair: Kristine Fuskeland Operational chair: Hanne Faarup Interactive chair: Bettina Trettin		
O66	Supporting the patients beyond skin - At The National Center of Autoimmune diseases	Louise Faurkov Møller
O67	How to understand vulnerability among minority groups - Focus on culture, sexual identity, and chronic illness	Dorthe Nielsen
O68	Addressing sexuality in dermatologic nursing care	Astrid Blikstad

# FRIDAY 22 APRIL

## ROOM: CONGRESS HALL (PLENARY)

12.45-13.45	<b>Free Communications Session 1</b> Chairs: Pernille Lindsø Andersen & Sigurd Broesby-Olesen		
FC1	Long-term remission of darier's disease and hailey-hailey disease after superficial radiotherapy	Stine Regin Wiegell	
FC2	Extracorporeal photopheresis with 5-aminolevulinic acid in patients with graft-versus-host disease	Eidi Christensen	
FC3	Altered maturation of the skin bacterial communities of infants with atopic dermatitis	Caroline Olesen	
FC4	DNA-chip-based molecular testing for the diagnosis of tinea	Ralf Ludwig	
FC5	A status on high-resolution anoscopy - in Denmark	Helle Kiellberg Larsen	
13.45-14.00	<b>Closing &amp; Poster Awards</b>		
14.00-15.00	<b><i>Farewell sandwiches</i></b>		

## ROOM: Pjerrot

<b>Free Communications Session 2</b> Chairs: Line Kibsgaard & Christian Vestergaard		
FC6	Discriminating basal cell carcinoma and bowen's disease with novel hyperspectral imaging system and convolutional neural networks	Mari Salmivuori
FC7	Porokeratosis is one of the most common genodermatosis	Rahime Inci
FC8	Validation of a new item for diagnosing primary hyperhidrosis	Mattias Henning
FC9	Allergic reaction in red tattoos - the causative mechanism?	Katrina Hutton Carlsen
FC10	Decision support for treatment eligibility assessment of hirsute women	Kenneth Thomsen
